BULLETIN #2

KTTV/KCOP
Los Angeles, California
Friday, June 3, 2011
5:00 - P.M. (PDT)

The Union met with the Company today to discuss proposals from both the News and Engineering units. There were no tentative agreements on the engineering proposals, but one concept from engineering was received favorably by the Company. The proposals presented by the Engineering Unit were non-economic in nature.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
