BULLETIN #23

KTTV/KCOP
Los Angeles, California
Tuesday, July 17, 2012
5:00 P.M. (PDT)

Most of the day was spent discussing meal periods, with off-the-record proposals being exchanged by both parties. As the day drew to a close, the Union presented the Company with a proposal for meals, which the Bargaining Committee hopes will be received favorably. The meal proposal was part of a larger off-the-record package.

During our previous negotiating session on May 2, 2012, the Company presented the Union with a set of proposals, which it termed its "final" offer. It is important to note that this is not a "last, best and final" offer and that the Engineering committee continues to actively negotiate with the Company.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
