BULLETIN #33

KTTV/KCOP
Burbank, California
Friday, April 15, 2016
5:00 P.M. (PDT)

Your new KTTV/KCOP Negotiations Committee met Friday, April 15, 2016, at 10 a.m. in the NABET-CWA Local 53 office.

The Committee spent a good portion of the day discussing the direction we want to take these negotiations.

We established the Committee as follows:

- Keith Hendriks – Chair
- Brian Wallace – Member
- David Arvizu – Member
- Larry Farmer – Alternate

The Committee decided to no longer use the services of Eric Seggi. We also decided to use only one Local 53 Executive Officer, if and when available.

We are taking a fresh new approach to these negotiations. We plan on addressing all issues and don't believe any issue is a "done deal". We will move through all issues on a point-to-point basis.

The Committee also discussed mobilization strategies and reaching out to advertisers.

We will be reviewing the notes of Eric Seggi and proposals presented by and received from the Company by the previous Committee.

We will be scheduling another meeting in the near future and continue are preparations for negotiations with the Company.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
