BULLETIN #37

KTTV/KCOP
Burbank, California
Thursday, September 15, 2016
5:00 P.M. (PDT)

The KTTV/KCOP Engineering Negotiations Committee met with the Company on September 15, 2016. This was the first meeting between the Company and the newly elected Committee. The Committee presented their new proposals and the Company refused to consider them. The Company stated that we have their last proposal and they would not change their position. They stated that they feel their proposal is fair.

The Committee is now planning the next step, we will be contacting members to establish a Mobilization Committee and start contacting KTTV/KCOP's Advertisers.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
