BULLETIN #9

KTTV/KCOP
Los Angeles, California
Wednesday, November 30, 2011
5:00 - P.M. (PDT)

We began the day with five members of the news bargaining unit meeting with both negotiating committees to discuss the implications of the upcoming strike authorization vote. After meeting with the members, more internal discussion ensued, dealing with meal periods and paid time not worked. There was an off-the-record discussion with the Company focusing on their essential needs. After more internal discussion among the bargaining committees, there was another off-the-record discussion with the Company of the issues at hand. Later in the meeting with the Company, a revised set of Company proposals for the news bargaining unit was distributed and reviewed by both committees in an on-the-record session.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
