BULLETIN #27

KTTV/KCOP
Los Angeles, California
Wednesday, January 16, 2013
8:30 P.M. (PDT)

During the first two days of this week, NABET-CWA Negotiator Eric Seggi and Sector Vice-President Charlie Braico met in sidebar (closed session) with Company Negotiator Kevin Casey. During these sidebar meetings, the Company made some movement, which was favorable to the bargaining unit. On Wednesday, both bargaining committees met with Messrs, Seggi and Braico for most of the day, then met with the Company later in the day. It was our first meeting since the contract vote on November 30, 2012. Both sides are continuing to negotiate. In formulating the next set of proposals, the bargaining committee is giving serious consideration to the feedback it has received from members since the November 30 contract vote.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
