Wednesday, June 1, 2011
5:00 - P.M. (PDT)

The Union and the Company met today so that we could ask the Company questions about its voluminous proposals. We also discussed the status of grievances dealing with graphics and management performing union work. Both sides reached tentative agreements on a few minor items.

We will meet with the Company again tomorrow.

The Negotiating Committee wants to remind you the bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
