NBC Master Agreement Negotiations

Bulletin #1

The current NABET-CWA/NBCU Master Agreement was scheduled to expire on March 31, 2022. Due to several factors, including the ongoing impacts of the COVID-19 pandemic, the Union and the Company have negotiated a one-year extension of the Master Agreement. Pursuant to the terms of this extension agreement, the new expiration date of the NBC Master Agreement is **March 31, 2023**.

In conjunction with the contract extension, the parties negotiated a two percent (2%) base wage increase which was effective for all contracts in the Master Agreement on April 1, 2022.

Your Local Union will reach out soon with information concerning contract proposal suggestions and bargaining preparation, in advance of Master Agreement negotiations which we anticipate will begin in late October or early November 2022. Please ensure that your Local Union office has your most current contact information: mailing address, telephone number and email address.
