NABET-CWA Bargaining Summary 5-22-14

Your Negotiating Committee met with the Company for three days of bargaining in the second round of contract negotiations.

The parties exchanged several proposals, discussed many issues, and ultimately tentatively agreed on a few items.

Your continued direct involvement is required to reach a successful first contract. Please contact your Shop Steward for more information.

The parties are scheduled to meet for two days in the first week of June. Your attendance at these sessions is encouraged from your Negotiation and Mobilization Committees. Attendance at these sessions gives you a chance to participate in and observe the bargaining process firsthand.

Be sure to Like and follow your Union at [facebook.com/NABET53FOXHUB](https://www.facebook.com/NABET53FOXHUB) for the latest updates.

Your Negotiating Committee wants to remind you these bulletins are the official source of information during these negotiations. Information from any other sources should be considered rumor or hearsay.
