NABET-CWA Bargaining Summary 8-7-14

Your Bargaining Committee met with the Company for two days of bargaining in the fifth round of contract negotiations.

The parties exchanged several proposals, discussed several issues, and came to a tentative agreement on a No Strike/No Lockout provision.

Your continued direct involvement is required to reach a successful first contract. Please contact your Steward for more information.

The parties are scheduled to meet again for three days of bargaining the final week of September. Your attendance at these sessions is encouraged from your Negotiation and Mobilization Committees. Attendance at these sessions gives you a chance to participate in and observe the bargaining process firsthand.
