NABET-CWA Bargaining Summary 10-7-14

Your Bargaining Committee met with Company Representatives for 3 days from 9/30/14 to 10/2/14. The parties exchanged several proposals and had discussions regarding Union Leave, Discipline and Discharge, Layoff and Recall, and the Work Week and Days Off.

The parties tentatively agreed to a Labor-Management Committee that shall meet at least twice yearly to discuss matters of mutual concern.

The Company has made it clear it is not interested in guaranteeing basic conditions like days off, just cause for termination, or posting the schedule before the week begins. The Company wishes to control every aspect of employment.

Your Bargaining and Mobilization Committees have decided that direct mobilization is now required. All options are on the table, including work action. Contact a Steward for more information.

The parties are scheduled to meet again for two days of bargaining the week of Thanksgiving. Your attendance at these sessions is encouraged from your Negotiation and Mobilization Committees. Attendance at these sessions gives you a chance to participate in and observe the bargaining process firsthand.
